ECONOMIC
PARTNERSHIP**

#LO99

Leadership Orlando is a signature program of the Orlando Economic Partnership.

The Orlando Economic Partnership is a public-private, not-for-profit economic and community development organization that works to advance broad-based prosperity by strengthening Orlando's economy, amplifying Orlando's story, championing regional priorities, empowering community leaders and building a brilliant region. These five foundational objectives serve to improve the region's competitiveness while responding to the needs of communities, residents and businesses.
